

2025 PfISD State of the District

The State of the District is an event hosted by Pflugerville ISD (PfISD) and the Pflugerville Education Foundation (PEF). This gathering brings together community leaders, business partners, elected officials, educators, and families to hear directly from PfISD Superintendent Dr. Quintin Shepherd about the district's achievements, priorities, and vision for the future. By sponsoring this event, you are directly investing in the success of more than 25,000 PfISD students.
