

## 2025-2026 BOARD OF DIRECTORS COMMITMENT TO SERVE

I understand that as a member of the Board of Directors of the Pflugerville Education Foundation I have a legal and moral responsibility to ensure that the organization does the best work possible in pursuit of its goals. I believe in the vision and the mission of the organization and I will act responsibly and prudently as its steward.

**OUR VISION:** *Through community involvement and support:*

- *students reach their full potential;*
- *teachers have supplemental resources; and*
- *administrators can provide exemplary leadership.*

**OUR MISSION:** *We sustain great schools in our community by closing the gaps, investing in innovation, and building the future for PflSD students today.*

I will stay informed about the organization. I will ask questions and request information. I will participate in and take responsibility for making decisions on issues, policies and other board matters, having read background materials.

**Public Relations:** I will positively interpret and represent the organization's work and values to my constituents, members, other organizations, associations, elected officials, businesses, and individuals. I will act in the best interests of the organization and excuse myself from discussions and votes where I have a conflict of interest. I will work in good faith with staff and other board members as partners towards achievement of our goals.

**Resource Development:** I am committed to personally supporting the Foundation's mission by making a financial or in-kind contribution of at least \$1,100. I will actively participate in Foundation major fundraising activities (Gala, Bloom Luncheon and Golf) in some capacity as part of my contribution of sharing my time, treasure, and talent.
